HERE'S THE NITTY-GRITTY:

- All orders must be pre-scheduled and are subject to our availability.
- Turnarounds are based on business days, do not include weekends or holidays, and begin the day after material is submitted. (e.g.; For a standard 2 day turnaround, an order delivered by 4pm on Monday will be ready Wednesday by 4pm)
- **Monday - Thursday orders must be submitted by 4pm PST.**
- **Friday orders must be submitted by 3pm PST.**
(Orders received after these deadlines are processed the next business day)
- There is a 5 minute minimum per file submitted.
- There is a \$50 minimum per order/project.

If you're uploading to our FTP site each file needs to be less than 60 min. of material and no more than 180mb in size.

"Difficult audio" includes any material with any of the following factors: poor recording quality or sound level, telephone or web recordings, background noise, simultaneous talking, speakers with accents, and other such issues affecting the audio.

****Please be sure that each file to be transcribed is a maximum of 60 min. or your order may be delayed.****
